Beskrivelse

This luxurious Mediterranean style villa for sale located in Finestrat, one of the most exclusive and sought after areas for lovers of the Mediterranean, is built on a plot of 1.530m². Built by private order by the developer himself with top quality materials, the villa consists of 497m², of which 391m² of housing will be distributed on two floors. With the possibility of a large plot of land (consult). If we access the villa through the main entrance, the first thing we find is a spacious living room on the left modern kitchen (German) fully equipped with dining area and breakfast bar, on the right we find after a few stairs two bedrooms and two bathrooms, from the living room we can acces...
